

THOMAS WAITE

SKILLS

I feel at my best when I'm problem solving with others.
I do well working on a team or solo.
When I understand my role, I keep my work consistent.
I will communicate with my coworkers and supervisors.

EXPERIENCE

Tech Support | Harvest Right | Oct 2016 – Dec 2017

Working with customers to troubleshoot and resolve issues with the product. Would also work and communicate with team to diagnose reoccurring issues, and help on repair bay.

Accountant | Harvest Right | Dec 2017 - Present

In my time as an accountant, I have managed and worked on AR, invoicing, EDI, collections, reconciliation, monthly reports, inventory, and weighing in on purchasing decisions. Reporting to the Controller and CFO.

At Harvest Right, I have gained technical experience, and worked with various software including QuickBooks, Microsoft Office, Zoho, and Odoo.

EDUCATION

Full-Stack Web Developer | 2023 | University of Utah

Obtained training and certification on how to build the front and back ends of a website. Specialized in HTML, CSS, JS, Node, MySQL, Mongoose, and React.

Associate's Degree | 2021 | Ensign College

Degree in Accounting and Business/Management. Learned Accounting and Business practice as well as getting hands on experience with companies.

QuickBooks Certification | Jul 2020

Microsoft Excel Specialist | Dec 2019

Desktop Pro (IT) – TestOut | Dec 2019

Eagle Scout | 2013

OBJECTIVE

To gain experience in web and application development, becoming proficient at front-end coding. To understand and excel at building sites that are interactive, responsive, clean, and functional.

I also wish to see as many facets of a business I can so that I better apply myself to fit in any role and consider the boarder picture of that company's operations.
