

THOMAS WAITE

SKILLS

I feel at my best when I'm problem solving with others.

I do well working on a team or solo.

When I understand my role, I keep my work consistent.

I will communicate with my coworkers and supervisors.

EXPERIENCE

Tech Support | Harvest Right | Oct 2016 – Dec 2017

Working with customers over the phone to troubleshoot and resolve issues with the product. Would also work and communicate with team, and work on repair bay.

Accountant | Harvest Right | Dec 2017 - Present

In my time as an accountant with Harvest Right, I have managed and worked on AR, invoicing, EDI, collections, reconciliations, monthly reports, and inventory.

—

At Harvest Right, I have gained technical experience.

EDUCATION

Full-Stack Web Developer | 2023 | University of Utah

Obtained training and certification on how to build the front and back ends of a website. Specialized in HTML, CSS, JS, MySQL, Mongoose, and React.

Associate's Degree | 2021 | Ensign College

Degree in Accounting and Business/Management. Learned Accounting and Business practice as well as getting hands on experience with companies.

Quickbooks Certification | Jul 2020

Microsoft Excel Specialist | Dec 2019

Desktop Pro – TestOut (IT) | Dec 2019

Eagle Scout | 2013

OBJECTIVE

To gain knowledge and experience in web and application development, to be proficient at front-end coding. Want to understand and excel at building sites that are interactive, responsive, clean, and functional.
